Upcoming Dates

Oct 7- Open House
Oct 15- PR 2
Oct 20- Consultant Apps Due
Nov 12- PR 3
Nov 19- Elections
Nov 21- Nonprofit Apps Due

Last Semester's Projects

This Spring semester we worked with City Rescue Mission, Oklahoma Lawyers for Children, and Opportunities Industrialization Center of Oklahoma County. The teams presented recommendations on a wide variety of topics including: volunteer management, program development, marketing, fundraising, and board development.

New Feature: TOG Library

This past semester the executive team has been hard at work collecting over 20 books and reprints of past final deliverables for the newly established "TOG Library." We hope that this collection will continue to grow and serve the future generations of TOGsters in the coming years.

In the Works: TOG Project on TOG Projects

In the process of helping so many nonprofits, we sometimes forget that we have room for improvement too. This semester, a team of alumni consultants will be looking at our very own organization and comparing our practices to other, similar organizations across the country in order to make TOG as effective and efficient as possible.

Keep Us Updated!

Has your email changed? Have you received an exciting job offer? Keep us informed by sending us new contact information and updating us on your life after TOG. Connect with us on Facebook, Twitter, and LinkedIn.
